

The highlighted name displayed in the top right corner in GitHub is your *GitHub* username - this is the one you use to login to GitHub when you enter the site and when you commit over HTTPS, and the one that appears in the URLs of your GitHub repositories.

The screenshot shows the GitHub interface for the repository 'github / india'. The top navigation bar includes links for Pull requests, Issues, Marketplace, and Explore. The repository name 'github / india' is highlighted, and it is marked as 'Public'. The repository has 141 watches and 196 forks. The main content area displays a discussion titled 'Future Ready Talent' with a rocket icon and the number '#125'. The discussion was started by 'arkodyuti' on Sep 26, 2021, and is categorized as 'Students'. The discussion text describes the 'Future Ready Talent' program, a virtual internship platform for learning Azure cloud and security skills. It mentions that the program partner, EY, has an engineering team consisting of @ey-mentor1, @ey-mentor2, @EY-Mentor3, and @EY-Mentor4. The discussion also includes instructions on how to start a GitHub Discussion thread and a link to the GitHub India public repository. On the right side, a user menu is open, showing the user's profile, repositories, code spaces, projects, stars, and gists. The menu also includes options for upgrading, feature preview, help, settings, and signing out. The user's name 'Username' is highlighted in the menu. The bottom of the page shows the URL 'https://github.com/gunjankatha' and the 'Discussions' tab selected.

Future Ready Talent #125

arkodyuti started this conversation in Students

on Sep 26, 2021 Collaborator edited ...

Future Ready Talent

Future Ready Talent <https://futurereadytalent.in/> is a virtual internship platform with an opportunity to learn the in-demand Azure cloud & security skills aligned to industry needs. The program aims at preparing learners to work towards solving business challenges and creating innovative solutions using the power of Microsoft Azure & GitHub tools.

Join the GitHub Discussion

We've enabled the GitHub Discussions feature here for you to ask and answer technical questions while participating in Future Ready Talent - student internship program. Our program partner, EY, will have their engineering team (@ey-mentor1 , @ey-mentor2 , @EY-Mentor3 , @EY-Mentor4) to support and answer your questions.
